Tournament Regulations

These tournament regulations are the matters that applicants and runners of the 55th Hofu Yomiuri Marathon shall comply with.

1. This road race will observe and be conducted in accordance with the related legislation of Japan.
2. The organizers will hold the race within the tournament regulations, competition rules, competition regulations, and the entry regulations.
3. The organizers will not bear any responsibilities in the following situations unless done on purpose or with gross negligence:
 - (1) disease, epidemic or other accidents (first-aid excluded)
 - (2) lost or damage
 - (3) delay due to the public transportation or road conditions, etc.
4. The organizers enforce regulations at the competition area to carry out the race safely.
5. Please follow the instructions of the organizers. Those who do not will be cancelled to participate or told to withdraw from the race.
6. This race will be held using the JAAF certified course, and World Athletics approved course. No objection using participant's GPS distance measure will be admitted. Also, when proved not going through the measuring point(s) (including the situation a part or all of the records are not taken), or making a shortcut, the runner may be disqualified.
7. Please note that we are trying our best to obtain the record, however, due to various external or environmental factors, we cannot 100% guarantee to obtain the record.
8. Due to the traffic, security, and operation reasons, the closing time for gates will be set. Athletes who fail to run through a gate with its designated limit time, must stop the race. In addition, when a judge regards a runner being considerably late, he or she can stop the runner from the race even between the gates.
9. The publication and managing right of videos, pictures, articles, records, locations, name, age, address (country, prefecture, city) of participating runners during the race on TV, newspapers, magazines, the Internet, etc. shall belong to the organizers. The organizers may provide these information to the co-sponsors, supervisors, collaborators, supporters, sponsors, and media for record ranking tally purposes, etc., which runners are regarded that they have agreed on.
10. Organizers recognize the importance of personal information, comply with the laws and regulations to protect the information, and deal with it based on the personal information protection policy of the organizers.
11. There will be no health check so please be responsible for your own health conditions when participating. Organizers would provide first aid for accidents during the race but not bear any further responsibilities. Please bring your health insurance card in case of emergency. To give the highest priority to human life, a person of the opposite gender may administer first aid such as AED and /or chest compression.
12. It is not permitted for athletes to take videos or photos on the course etc. In addition, for the safe and smooth operation of the race, maneuvering and piloting unmanned aircrafts such as drones on and around the course is prohibited. Furthermore, commercial use, including SNS, of videos or photos taken by athletes or the third party without permission of organizers is prohibited.

Competition Regulations

Participation against the competition rules, other legislation, public orders and morals, and following 1 to 12 is not approved. When organizers judge any violation, the athlete may not be approved to the race, and order him or her to stop the race even after the start of the race. No objection to the judgment will be admitted.

1. Wearing outfit or articles that may be deemed to be dangerous such as hurting or making other runners fall, or covering the whole face
2. Outfit making other runners or spectators uncomfortable or considered unsuitable for the sporting event
3. Outfit with the purpose to promote or advertise the political or religious claims
4. Outfit to promote or advertise the individual name, certain area or group without the organizers' approval
5. Use of the thing or equipment which makes such loud noise that other runners mistake the sound with the start signal, creates confusion and disturbance to the race
6. Action to delay the race such as dancing, performing, or playing instruments around the starting or finishing line, or along the course
7. Asking for donations or autographs
8. Disturbing the public people crossing, or the emergent vehicles passing in a part of the course
9. Not following the instructions of the officials and disturbing the race operation
10. Accompanying an escort runner who is not approved by the organizers (including a guide dog)
11. Changing clothes or going to a toilet at a place not prepared by this road race
12. Others apart from 1 to 11 that are considered unsuitable for the race by the organizers

Entry Regulations

The person who does not comply with all the regulations and the following rules will fail, or be cancelled to participate, or be disqualified if he or she has already started the race. There will be no refund. Furthermore, the participation in the future races will not be granted.

1. Double entry from one person is not possible.
2. False declaration of the name, birthday, gender, nationality, address, record, etc. will not be approved.
3. Please fill in the accurate information as the registration of JAAF registered athletes will be checked.
The secretariat will contact you on the registered e-mail address or the telephone only when there is a problem with the details of the registration. When confirmation cannot be made due to faults of the registered information, etc., he or she cannot run the race as a JAAF registered athlete.
4. The organizers will hold no obligation if the application cannot be made due to your terminal, OS, or browser software, and if there is also a delay in applying due to failure of the Internet connection, etc.
5. We will not confirm any failure in e-mail delivery due to the faults in your registered e-mail address.
The organizers will hold no obligation for any disadvantages caused by failure to receive e-mails from the organizers due to troubles in a terminal (breakdown, etc.), receiving setting of e-mails, security software, or change in your e-mail address, etc.
6. If the payment of the entry fee is not paid by the deadline, the entry application will be automatically cancelled (regarded as abandonment of the right) and you will not be able to participate in the race.
7. Running by anyone who has not applied for the race (substitute runner or transfer of the right to participate will not be granted). Please make sure to register yourself on the day of the race. Without the runner registration, the participation will not be possible.
8. Changes of the start entrance gate or the start block due to the personal circumstances are not possible
9. In the case of the race itself to be cancelled, whether refund is possible, or its amount will be determined upon deducting the expenses up till the cancellation.
10. Refund, the transfer of the right or favorable treatment, etc. to participate in the future races will not be made for cancellation due to the violation of the regulations or the personal circumstances.
